

## INDIAN PLUMBING ASSOCIATION (IPA) - 2011

We have been actively participating in organizing plumbing meet to take our marketing/Sales to grass root level. In continuation to the same Indian Plumbing Association was organized during the month of November- 2011, which is the largest Plumbing Exhibitor in Asia. The reason to associate with IPA was to enter into the Plumbing segment. We take great pleasure to announce that we had achieved more than what we had expected in terms of growth in sales and new clientele listings.
