Anti Bribery and Anti-Corruption Policy

1. Policy Statement

It is our policy to conduct business across the APL Apollo Tubes Ltd. and its subsidiaries in an honest and ethical manner. We take a zero-tolerance approach to bribery, corruption and the giving and receiving of bribes. We are committed to acting professionally, fairly and with integrity in all our business dealings and relationships wherever we operate and implementing and enforcing effective systems to counter bribery. Our ABAC policy is aligned with Foreign Corrupt Practices Act, 1977 (FCPA), United Kingdom Bribery Act, 2010 (UKBA) and Prevention of Corruption (Amendment) Act, 2018.

Through this policy, which is fully endorsed and supported by the APL Apollo Board of Directors, we set out our responsibilities in observing and upholding our position on anti-bribery and corruption; and to provide information and guidance to everyone associated with us, including our employees and third parties, on how to deal with any bribery or corruption issues, should they arise when carrying out any activity on behalf of APL Apollo.

2. Who is covered by the policy?

This policy applies to APL Apollo employees globally, and third parties that are in contact with APL Apollo during the course of any business matter, either working for or on behalf of the APL Apollo Group.

3. Basics

Any employee or third party of APL Apollo that offers a bribe, facilitation payment or any other criminal inducement on behalf of the APL Apollo Group, may cause APL Apollo to be held criminally liable. We take our legal responsibility very seriously and require our employees to do the same.

4. Principles and Requirements

APL Apollo takes a zero-tolerance approach to bribery, corruption and the giving and receiving of bribes.

The Policy requires that our employees and third parties apply the following:

Confidential, all rights reserved. No part of this document may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, without prior permission. All rights reserved in the event of the granting of a patent or the registration of a utility model or design. Offenders will be held liable for the payment of damages.
