Sudesh Group

Sudesh Group is India's leading Steel Tubes and PVC Pipes manufacturer with 14 plants across different locations in the country. It's a pioneer in steel tubes of different types and shapes. For over 3 decades, SG Group has been revolutionizing the Steel Tubes manufacturing industry.

APL Apollo, a part of SG Group, is the country's largest manufacturer of steel pipes and tubes. Using High Frequency Induction Welding Technique (HFIW), APL Apollo has a capacity to produce 2.6 million tonnes of pipes per annum. The company is the unrivalled pioneer of Direct Forming Technology (DFT) as well as many other innovative products in the country.

INTRODUCING APOLLO PLANK

Our planet is our only home, our only hope. It's imperative that we protect and preserve the limited resources of our planet by taking care of its environment. One such way is to reduce deforestation, which is one of the biggest contributors to global warming.

At Apollo TriCoat, we're committed to protecting and preserving this scarce resource by offering sustainable and environment-friendly solutions. Like Apollo Plank - conceived to completely replace wood with steel across the country. Moreover, steel being a durable material is corrosion free, rust and termite-proof and fire-resistant.
