Sudesh Group

Sudesh Group is India's leading Steel Tubes and PVC Pipes manufacturer with 13 plants across different locations in the country. It's a pioneer in steel tubes of different types and shapes. For over 3 decades, SG Group has been revolutionizing the Steel Tubes manufacturing industry.

APL Apollo, a part of SG Group, is the country's largest manufacturer of steel pipes and tubes. Using High Frequency Induction Welding (HFIW) technology, APL Apollo has a capacity to produce 2.5 million tonnes of pipes per annum. The company is the unrivalled pioneer of Direct Forming Technology (DFT) as well as many other innovative products in the country.

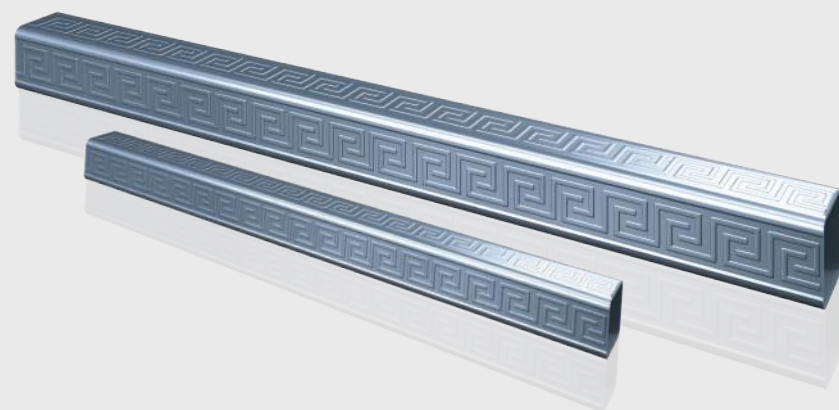

Apollo TriCoat, a part of Sudesh Group of companies, and a subsidiary of APL Apollo Tubes, uses state-of-the-art technology available globally. The company focuses primarily on direct consumer facing products. Be it doorframes, designer tubes, conduits or planks, Apollo TriCoat has a wide spectrum of home improvement products which add value to the lives of countless people across the globe.

Introducing

Apollo Tricoat, part of Sudesh Group of Companies, India's leading steel pipes and tubes manufacturer, is introducing its all-new rust-free designer pipes - Apollo Signature pipe with special embossing which makes it aesthetically superior from other products in the market. These pipes can be used in Rooftops, Furniture, Pillars and Interior Designs. Not only the design but steel itself has its own benefits - it requires zero maintenance after installation. What's more, we are doing our bit for nature as well, by replacing wood with designer steel that is a far more superior product. Apollo Signature will redefine the conventional steel design to make your structures look more premium and classy.

## Features and Benefits

### DURABILITY AND STRENGTH

Customers get their money's worth from Durability and Strength. Since our pipes have 400 YST, it makes our product the most superior product in the market.

### CORROSION RESISTANCE

Corrosion usually spoils the look of a beautiful product and drastically reduces its life. But thanks to 150 GSM zinc coating, our pipes are corrosion-resistant and elegant.

### SUPERIOR DESIGN FOR SUPERIOR STRENGTH

For the first time in India, Apollo is introducing designer galvanised pipes – Signature Pipes. Along with attractive and premium surface, it also boasts of unmatched strength and longevity. As a substitute for wood, Apollo Signature outperforms it with extraordinary quality and aesthetics.

### AESTHETICS THAT ARE PLEASING TO THE EYE

Welding in the corners gives a smooth and even finish to Apollo Signature pipes, and ensures that the welding does not take away from the aesthetics of the product.

### STUNNING DESIGN PATTERNS ON EVERY PIPE

The exquisite designs on Apollo Signature pipes not only beautifies them but also add to their strength and sturdiness.
